License L# 184138 - EUROPE CONTINENT SHOW – EUR-020

C14468, C14469

To: Sveriges Nya Raskattförening (SNRF)

Att.: Wiveca Fransson

Dear President(s),

this license is to give you the right to hold the show listed below once it is licensed under WCF Show Rules and regulations. No other rings, for whatever purpose, are allowed in WCF shows, only WCF-rings. See approved rules for that purpose.

Responsible club(s): SNRF (SE-0236)

WCF-Rings

Breed Shows: BRI and BLH, all Rex cats

Fun Shows: Domestic pet

Judges: Anthony Aldum, South Africa (AB, WCF)
Daniel Counasse, Belgium, (AB, WCF)
Irina Guseva, Russia (AB, WCF)
Dr. Johan Lamprecht, South Africa (AB, WCF)
Pascal Pobé, France (AB, WCF)

Note:

It is not allowed to add any judge, not listed in this license, and no other judge, for whatever purpose, is allowed to judge on this exhibition. Monobreed rings are generally not permitted; any wins will not be recognized.

You may organize special breed shows (at least 15 cats). These special breed shows are not permitted to be called "ring" or to be performed as ring.

The only rings, which you are permitted to perform, are the 3 WCF-rings as defined in the Show Rules.

All other rings need the permission of the office.

You can make a separate Best in Show for specific breeds, which must be made according to the rules for the BIS.

The winners of the BIS for the 5 categories and the winners of the BIS of special breed shows are allowed to participate in the Best of Best. A cat can only participate in one BIS per show.

Please remember to place on stage a large WCF symbol and print this license on one of the first pages of the show catalogue.

Only exhibitions with licenses printed in the show catalogues prove they are really licensed and valid for WCF awards.

ALL SHOWS MUST BE LICENSED and licenses must be printed in the show catalogues.

Each show catalogue must include a page for the WCF, including the names and addresses of the actual Board-members.

In all World and International Shows with foreign judges or exhibitors, all announcements and cat calls during the show and Best in Show ceremonies, MUST BE made also in English, not only in the native language of the country. In WCF exhibitions cats cannot be judged more than once per day even in combined exhibitions with two or more WCF-clubs, under penalty of rules.

An electronically copy of this show catalogue and all results must be sent to the Chairman of the Show commission to the mail address show.results@wcf-online.de, latest 10 days after the date of exhibition.

The club will face disciplinary actions, and at least a fine of Euro 200.- will apply if the club does not comply with these resolutions.

In addition, we want to remind you of the following important points:

International shows can only be recognized, if an amount of minimum 80 cats are registered in the catalogue on each showday.

A change of the place or the date requires new license numbers.

If you need to invite other judges please send the amended show-application at least 6 weeks before the date of the exhibition.

If you have to cancel the exhibition it is necessary to inform the license manager before the planned date.

This license will become invalid with suspension or expulsion of the requesting club. Likewise, it loses its validity for non-prolongation of patronage. There is no claim for reimbursement of the license fees.

We from the Board wish you all the best for this upcoming show.

Best regards
WCF show licensing management
Gisela Danisch

According to § 28 and § 29 BDSG (Federal Data Protection Act) passing on of all WCF exhibition data including show results to third parties for non-WCF purposes is prohibited.
